What Our Guests Are Saying About Family Promise...

The best thing about Family Promise is that they're compassionate. The staff & volunteers at Family Promise really do care about the community. They really enjoy helping families.

Parent, age 29

Family Promise was a lifesaver for me and my family. It gave me the support I needed to get through this stressful time in my life.

Parent, age 35

During our crisis, it was peaceful to come to a church and feel protected. Although our home moved weekly, we felt loved and that we would not be abandoned until I was able to secure a permanent job and affordable housing. Parent, age 26

Family Promise helped my family in lots of ways. They provided you with food, transportation and games for children. Every day members of the church would come to spend the night so you and your children will have someone to talk to.

Child, age 11

Family Promise has helped me and my family by giving food to eat and a place to stay. I enjoyed my stay there and made friends with other families in the program. I wish success for the remaining families and the new families that have yet to come.

Child, age 15

I think Family Promise is a fun place to be. You make lots of friends and you get to play too. Family Promise helped my family by taking good care of us. We stayed at a lot of good churches. I would like to go back to Family Promise for a visit.

Child, age 8

Thanks to all of you for caring and please continue to support Family Promise. You are making a huge difference through giving. Just being there goes a long way. Thank you from the bottom of my heart. When my daughter is older and able to understand, I will explain that because of the volunteers that make this program possible, her mommy was able to stand on her own two feet with dignity and not go back to an abusive household. We were given an opportunity to live in peace and be content. I will not forget all the pep talks and guidance you have given me. Please do not consider for one moment that your work was in vain.

Family Promise is...

A wonderful program to help families that have, like me, suffered at the hand of my own decisions. It's unique—even hard to call just a shelter.

With Family Promise, I am most thankful for...

The volunteers—without them there would be no Family Promise. Even if there were funds and a place to do it, it couldn't happen without the wonderful volunteers.

I'm thankful for the help and dedication of others to keep Family Promise running and a benefit to families.
